Education manager for HORIZON EUROPE projects

APRE is seeking a highly motivated and experienced professional to join the Projects Department team in Rome as the education manager for HORIZON EUROPE projects. The successful candidate will be responsible for implementing education activities, contributing to policies and recommendation in European projects.

Key responsibilities include:

- Organization of co-creation events, workshops and trainings/information sessions (for teachers and other non-formal educational actors)
- Engagement/empowerment of youth and formal/non-formal education actors
- Organization of knowledge sharing and mutual learning workshops, Twinning schemes for higher education staff, Stakeholder identification, engagement and community building
- Facilitation and Implementation of educational activities (including creation of educational content, learning products, educational innovative approaches, participatory pedagogical design activities, hands-on activities, orientation on future careers, female engagement in STEM etc.)

Qualifications:

- Proven experience in European projects (Horizon2020, Horizon Europe especially)
- Proven experience in elaboration of good practices and policy briefs and recommendations
- Ability to coordinate with european partners
- Strong interpersonal and networking skills
- Willingness to travel within Europe
- The ideal candidate will have a minimum of 2 years of experience in a similar role, with a bachelor's or master's degree in international relations or a related field, with a specific focus on Education policies.

Language: Excellent written and verbal communication skills in English (B2 minimum).
